Dear Students and Parents,

Below is a general list of school supplies that each student will need in order to be prepared for each of his/her core classes. In September, teacher-specific items will be shared with the students. Color-coded notebooks, folders and binders are strongly recommended for each class. This technique helps students to stay organized throughout the school year. Thanks for your help!

**PLEASE NOTE**
- In permanent marker, label all supplies with student’s name.
- Book sox/fabric book covers may be too small for a large textbook and will ruin the binding. Do not use a book cover that is too small or too tight.
- To stay better organized, students should avoid using a single binder for multiple subjects.
- Many stores will have summer sales on these items. Please be on the lookout for them.
- Save all receipts in case all items are not needed by that teacher.
